Project: Chemoenzymatic synthesis of Oligo- and Poly-Terthiophenes

Start date: 01 October 2009

Profile:

Since 10/2009

Scholarship CLIB Graduate Cluster.
Institute of Organic and Macromolecular Chemistry, Heinrich-Heine-University Düsseldorf, (Germany).
Supervisor: Prof. Thomas J. J. Müller

09/2009

Research associate at Institute of Organic and Macromolecular Chemistry, (Germany).

01/2009 – 08/2009

Diploma thesis at Institute of Organic and Macromolecular Chemistry, Heinrich-Heine-University Düsseldorf, (Germany).
Title: "Development of a three-component thiophene synthesis."
Supervisor: Prof. Thomas J. J. Müller

10/2006

Intermediate Diploma (**Vordiplom**) at Heinrich-Heine-University Düsseldorf, (Germany).

10/2004 – 09/2009

Study of chemistry at Heinrich-Heine-University Düsseldorf, (Germany).
